PROJECT LAYOUT

CHAIN-LINK SYSTEMS

CHAIN-LINK COURT ENCLOSURES.

DURABLE BOUNDARY

Court perimeter, access and ball containment.

PROJECT FINISH

Final mesh, height and finish selected per project.

PADEL ENCLOSURE

GLASS + MESH PADEL SYSTEMS.

PADEL APPLICATION

Purpose-built glass-and-mesh court enclosure.

INTEGRATED SYSTEM

Structure, access and lighting coordinated with the court.

MULTI-SPORT FENCING

MULTI-SPORT FENCING SYSTEMS.

MULTI-COURT

Repeatable fencing across larger facilities.

SPORT FLEXIBILITY

Suitable for multiple court and recreation formats.

ACCESS & STRUCTURE

GATES, ACCESS & FRAME SYSTEMS.

ACCESS

Gate and entry positions integrated into the layout.

STRUCTURE

Steel or aluminium frame architecture selected per system.

PROJECT SELECTION

MATCH THE ENCLOSURE TO THE VENUE.

Aluminum alloy frame
Built-in assembled fence

 Innovative hidden galvanized steel
 Advanced rust resistance
 Customized color

PRODUCT FEATURES

INNOVATIVE DESIGN

- Breakthrough innovative design in the industry won the national scientific and technological invention patent

ALL ALUMINUM ALLOY

- All-aluminum alloy structure, frame assembly site convenient disassembly and assembly design
- No need to pull the net on site

ANTI-RUST PROCESS

- Double-Layer Super Weather-Resistant Polyester Powder Coating for All-Weather Rustproof Protection

ZERO MAINTENANCE

- Innovative hidden fence installation solves potential safety hazards and "zero maintenance" all-weather

PRODUCT PARAMETERS

Material used • Independently developed model aluminum alloy profile
Conventional color • dark green
Column size • (length × width) 70 × 70 mm or 80 × 80 mm
Frame profile specifications • horizontal column: 60 × 42 mm
vertical column: 60 × 49 mm

COURT SPORTS

Tennis, pickleball and multi-sport.

PADEL

Integrated glass-and-mesh enclosure.

COMMERCIAL

Clubs, schools, resorts and public facilities.

COURT ENCLOSURE SYSTEMS

FROM COURT BOUNDARY TO COMPLETE ENCLOSURE.

LUTHVAR court fencing and enclosure systems coordinate boundary, access, structure and venue presentation across commercial sports facilities.
